Subject "Telegram Dated 13-1-69 from Janab Abdul Rasool and others regarding Elections to Belluer Municipal Council Nagamangala

---

Adverting to the above Telegram which has been forwarded to me for a report I beg to submit as follows:-

The Telegram purport to state that the Election conducted is wrong It is not at all specific and does not throw light as to in what respect the Election conducted is wrong

Further Janab M Abdul Rasool, Sri B.K Krishnappa and others at whose instance the Telegram was issued on 13-1-69 have presented an application on 14-1-69 stating that they have withdrawn their Telegram and petition presented to the Returning officer on 13-1-69 In this connection I beg to submit that both Janab Abdul Rasool and Sri B K Krishnappa are defeated candidates in the Election and have now voluntarily withdrawn their Telegram dated 13-1-69 and petition presented to the undersigned regarding wrong identification of the voters in view of the fact that the defeated candidates themselves have

withdrawn the Telegram as well as the petition no further report seems to be necessary.

However in this connection I beg to submit that on the day of Election at about 12 noon Messrs Abdul Rasool & Abdul Aziz S/o Krishnappa, Buffoon Rao & others (All these are candidate) jointly signed a petition purporting of wrong identification in respect of two voters and addressed the petition to the returning officer under Rule 20 V of relating to Mysore Municipal Election Rules the petition was referred to the polling officer for enquiry and disposal as per Rules. The polling officer has enquired and disposed of the petition which is lodged in a sealed cover in safe custody along with the other sealed packets.

As far as Election is concerned I was present during the entire period of Election. The polling officers and their Assistants who have no interest in Ballot Election affairs have done their duty which is beyond criticism and to the best of my knowledge there is no material irregularity. All the events have taken place according to the Calendar of events prescribed and approved by the Deputy Commissioner Hence I do humbly I may be permitted to submit that in view of the fact that the Telegram and petition are withdrawn by the candidate themselves and in view of the fact

that there is no specific mention as to which respect the Election is irregular the gross question of Re-election does not arise

The Election held is quite regular The Telegram dated 13-1-69, and a Counter petition from some Candidate dated 13-1-69 as petition dated 16-1-69 with drawing the Telegram as petition presented are hereby submitted for kind perusal and reference

One special feature in this Election reserves kind notice The Difference in the members of votes between the successful Candidate as defeated Candidate is very great as could be kindly seen from the report of Result already submitted
